# Collector Portal User Manual

How charity box collectors use the NSW Collector Portal Android app and the collector web portal: sign in, find a box by number or QR code, record the collection, send the receipt by text, follow your month's collections, and keep your details up to date. Collectors for both of our branches, in Peterborough and in Manchester, use the same portal.

# 1. Before you begin

The Collector Portal is for the volunteers who empty Nagina Social Welfare UK's charity collection boxes. Each box sits at a shop or venue and has a number and a QR code. For every box you collect, the portal records who took the cash, then the amount once it is counted, and sends the venue's contact a text each time.

The charity office creates your account and gives you a **username**. The password is the one you chose from the invite email, or the one you set after a reset. There is no public registration.

## Our two branches

Every collector belongs to a branch office. My Profile shows yours, with its address and contact details. The boxes and the collections are the charity's, so the box list is the same for everyone.

| Branch | Address | Contact |
|---|---|---|
| **Markaz Deen-e-Islam, Peterborough** | 103 Burmer Road, Peterborough PE1 3HT | info@naginasocialwelfare.co.uk · +44 7831 684738 phone and WhatsApp |
| **Quran Academy, Manchester** | Partington Community Centre, Manchester M31 4FL | qam@naginasocialwelfare.co.uk · +44 7872 340123 phone and WhatsApp |

**About these pictures.** They were taken on 14 October 2026 on a test copy of the portal, signed in as Test Collector (username testcollector) of the Peterborough branch. Three boxes have a receipt sent this month, one has been collected and waits for its amount, and three are not collected yet. Nothing was saved while taking the pictures: the Collect Cash box was closed with Cancel, and no receipt was sent. The Manchester pictures use a Quran Academy test collector. Web portal pictures were taken in Chrome. App pictures were taken from the NSW Collector Portal Android app. The Chrome and Safari pictures are guides to the menus you will see.

# 2. The Android app

ANDROID · AVAILABLE NOW

### NSW Collector Portal

On an Android phone, install **NSW Collector Portal** from Google Play. It is published by Nagina Developer for Nagina Social Welfare UK and has the same pages as the web portal. You cannot create an account from the store page.

Open the Play Store page

1. On the phone, open the Play Store link above, or search for **NSW Collector Portal**.
2. Check the crest and the publisher name, then tap **Install**.
3. Open the app and sign in.

IPHONE AND COMPUTER · TODAY

### Use the web portal

Open `admin.naginasocialwelfare.co.uk/login/collector` in any browser and sign in. On an iPhone, add it to your Home Screen (chapter 3) so it opens from an icon like an app.

## Sign in

1. Open **NSW Collector Portal** from the home screen.

2. Type your username and password. The eye icon shows or hides the password.

3. **Remember me** is ticked already. Leave it ticked on your own phone, and the app opens straight to Home next time. Untick it on a shared phone.

4. Tap **Sign in**. **Forgot password?** sends the same reset link as the web portal.

## Home, Boxes, History, and Profile

A bar along the bottom holds **Home**, **Boxes**, **History**, and **Profile**. The round gold button in the middle opens the QR scanner. **Sign Out** is at the top right. The first time you scan, the phone asks to use the camera. Choose **While using the app**.

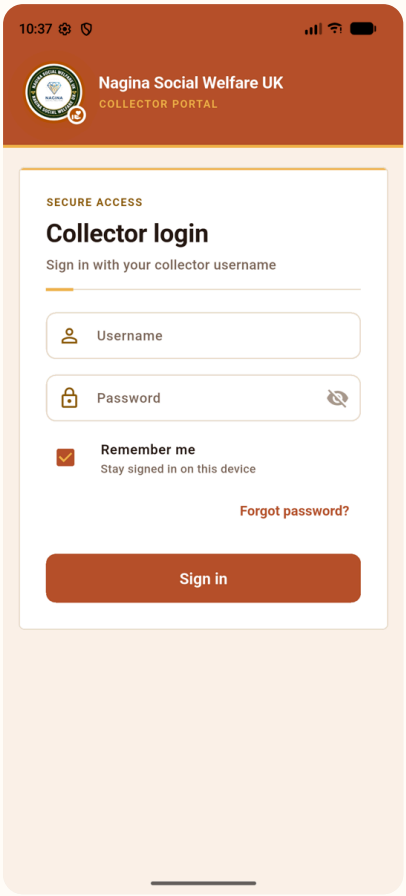

**Figure 1.** Sign in to the app.

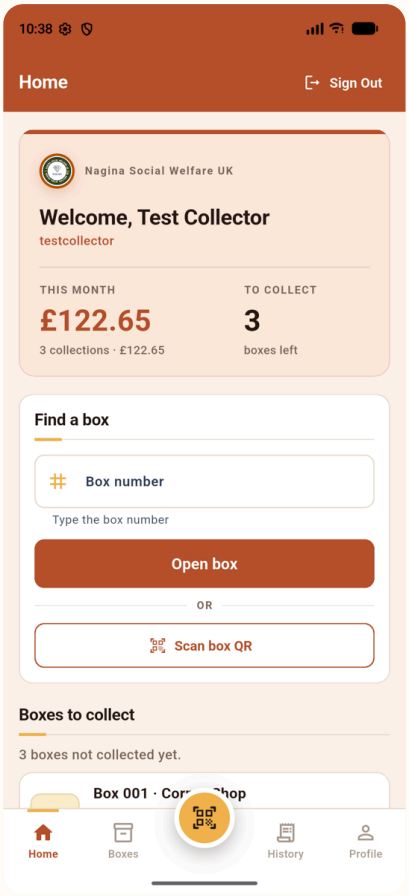

**Figure 2.** Home.

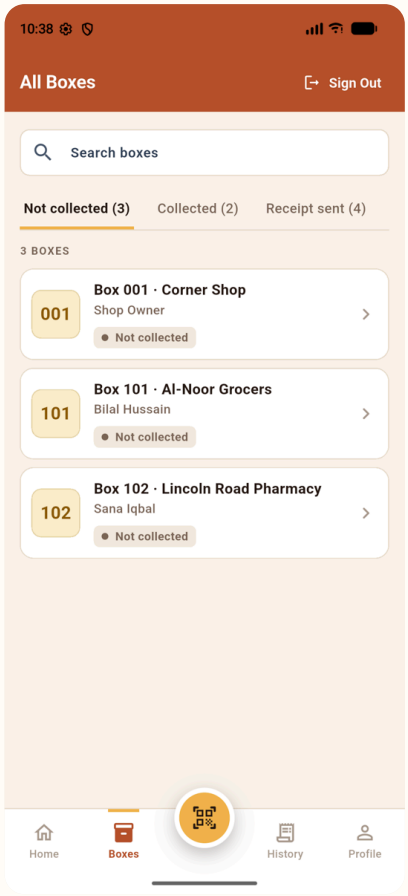

**Figure 3.** All Boxes.

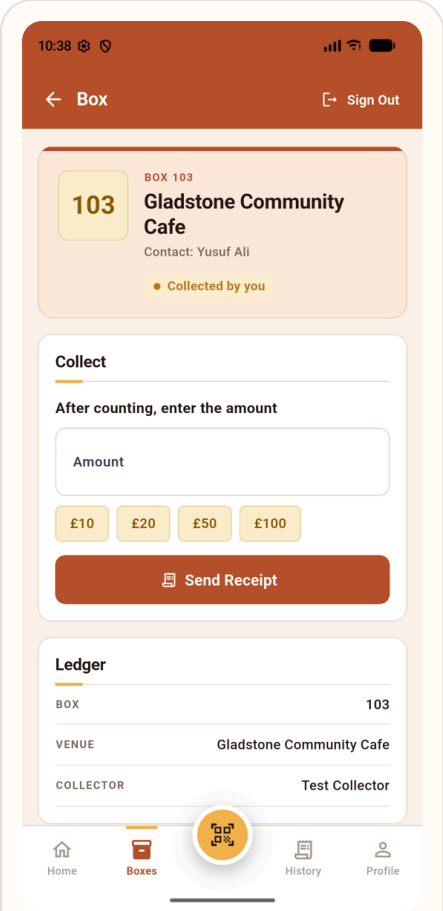

**Figure 4.** A collected box, ready for its receipt.

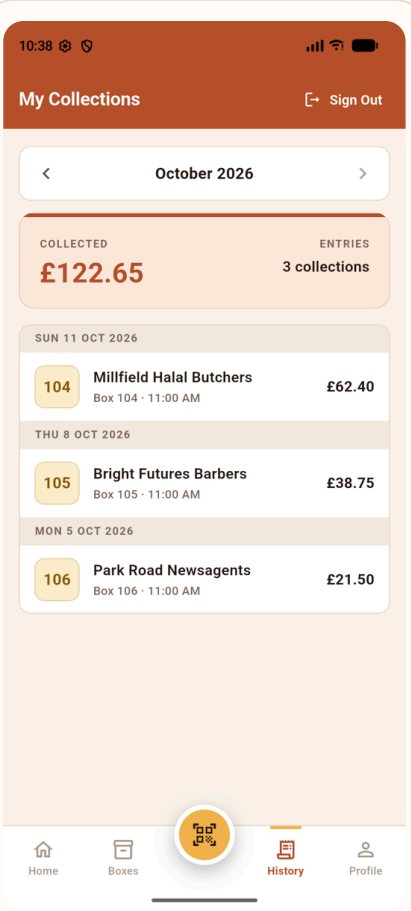

**Figure 5.** My Collections.

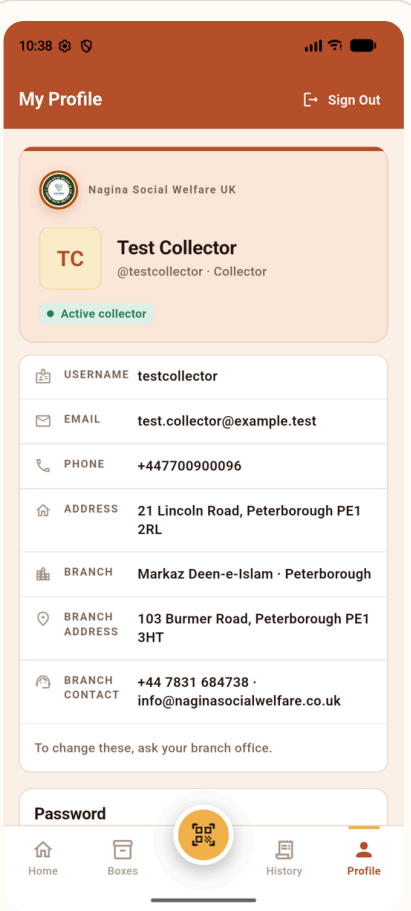

**Figure 6.** My Profile.

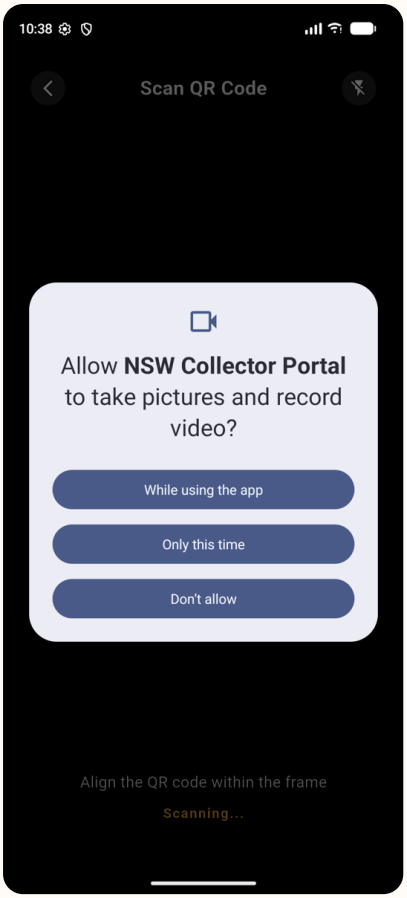

**Figure 7.** The first scan asks for the camera.

# 3. Open the web portal like an app

On any phone or computer, the collector web portal can sit on your home screen or in the Dock. It opens in its own window, without the usual browser tabs. Use the same address and the same sign-in. The icon is labelled **Markaz Admin**. This is the way to use the portal on an iPhone.

## Chrome on a computer

1. Open Chrome and go to `https://admin.naginasocialwelfare.co.uk/login/collector`.
2. At the right of the address bar, click the install icon (a small screen with an arrow), then **Install**.
3. If that icon is missing, click the three-dot menu, then **Cast, save, and share**, then **Install page as app**.
4. The portal opens in its own window. You can also open it later from the Dock or the Start menu.

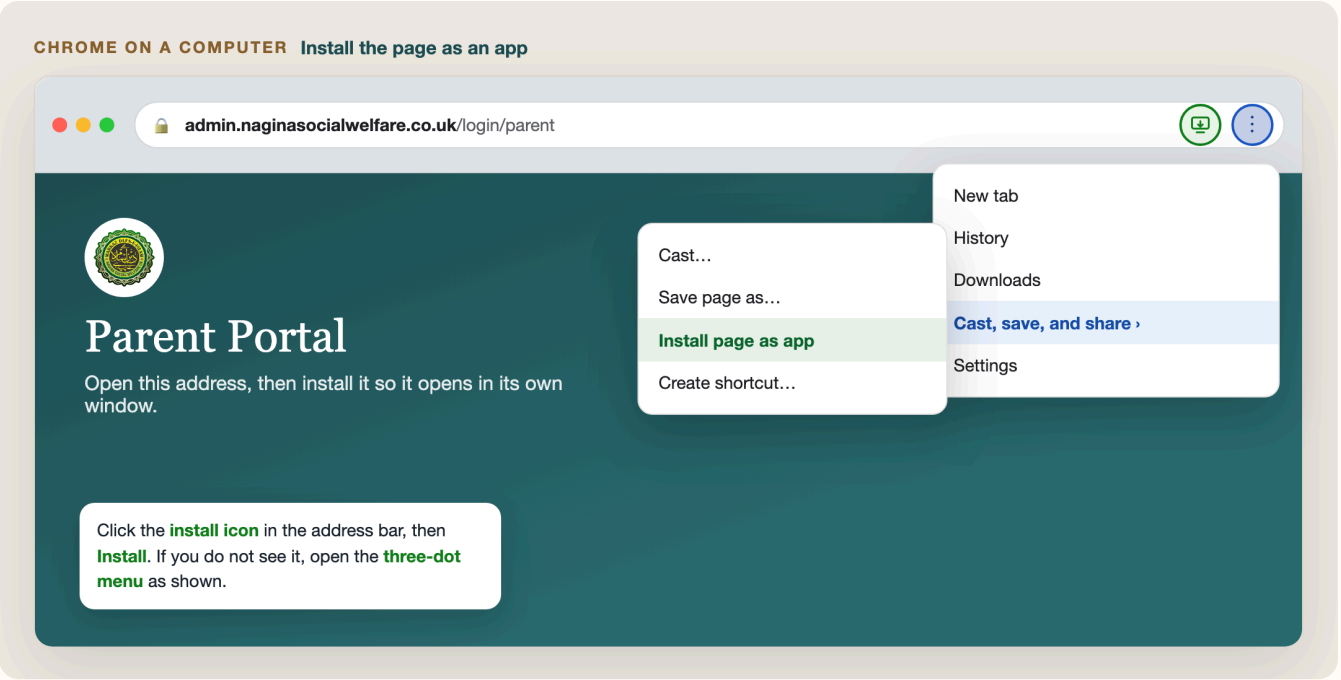

**Figure 8.** Chrome on a computer. Use the install icon, or the three-dot menu.

## Chrome on Android

1. Open the collector web portal in Chrome.
2. Tap the three-dot menu at the top right.
3. Tap **Install app**. If you only see **Add to Home screen**, tap that instead.
4. Confirm. The Markaz Admin icon appears on the home screen.

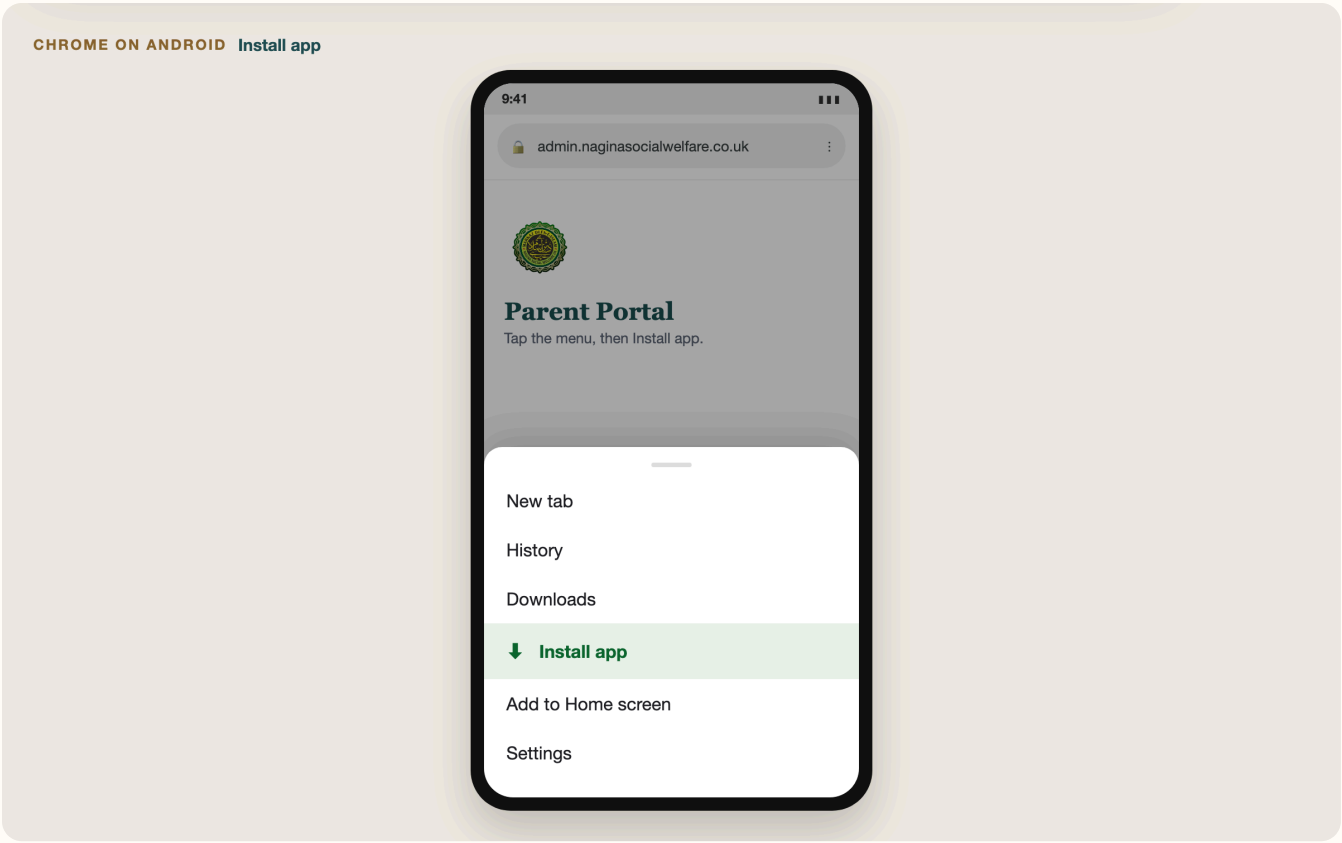

**Figure 9.** Chrome on Android. Install app, or Add to Home screen.

## Safari on iPhone

1. Open the collector web portal in **Safari**. Other browsers on iPhone do not offer Add to Home Screen in the same way.
2. Tap the **Share** button (the square with an arrow).
3. Scroll the share sheet and tap **Add to Home Screen**.
4. The name shown is Markaz Admin. Tap **Add**.
5. Open the new icon from the Home Screen and sign in.

## Safari on a Mac

1. Open the collector web portal in Safari.
2. In the menu bar, choose **File**, then **Add to Dock**.
3. Click **Add**.
4. Open Markaz Admin from the Dock. It uses a simple window, without Safari's full toolbar.

SAFARI ON IPHONE **Add to Home Screen**

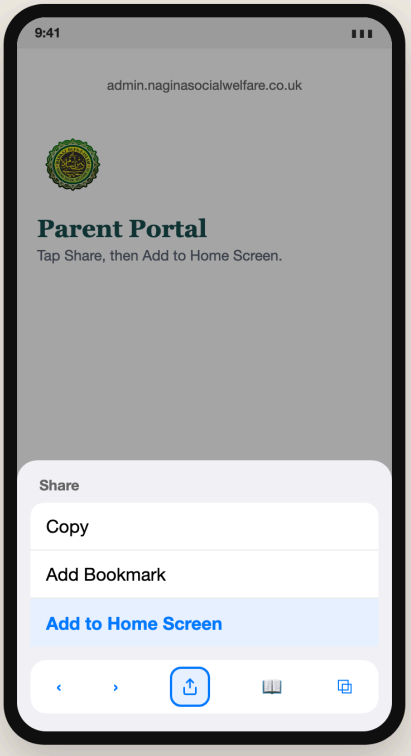

**Figure 10.** Safari on iPhone. Share, then Add to Home Screen.

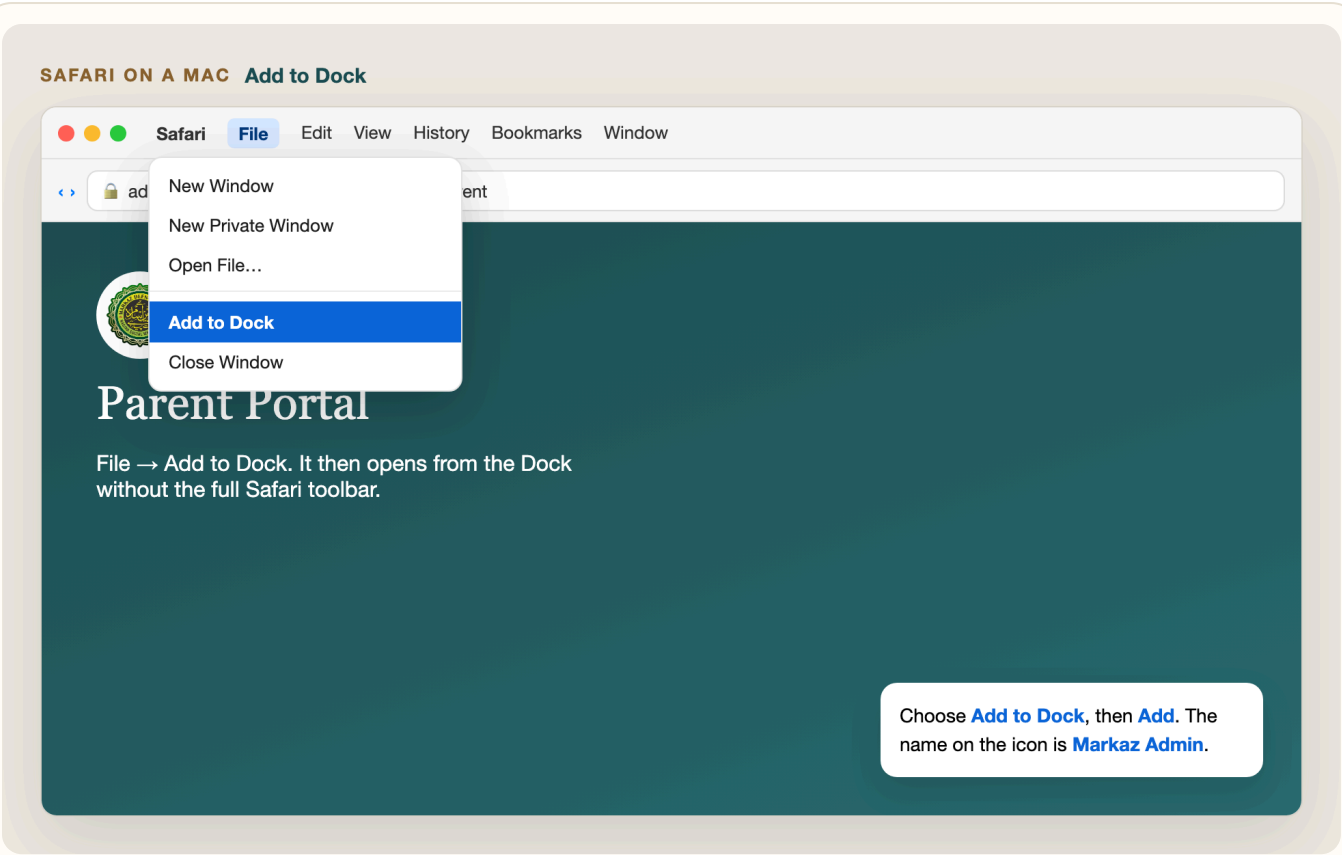

**Figure 11.** Safari on a Mac. File, then Add to Dock.

# 4. Open the web portal

The first screen asks you to choose a portal. Collectors use the orange **Collector** card. The other cards are for admins, teachers, parents, students, Islamic quizzes, and the Halal barcode helper.

1. Open `https://admin.naginasocialwelfare.co.uk`
2. On the Collector card, press **Continue**.
3. You land on the collector sign-in page. You can also go straight there at `https://admin.naginasocialwelfare.co.uk/login/collector`.

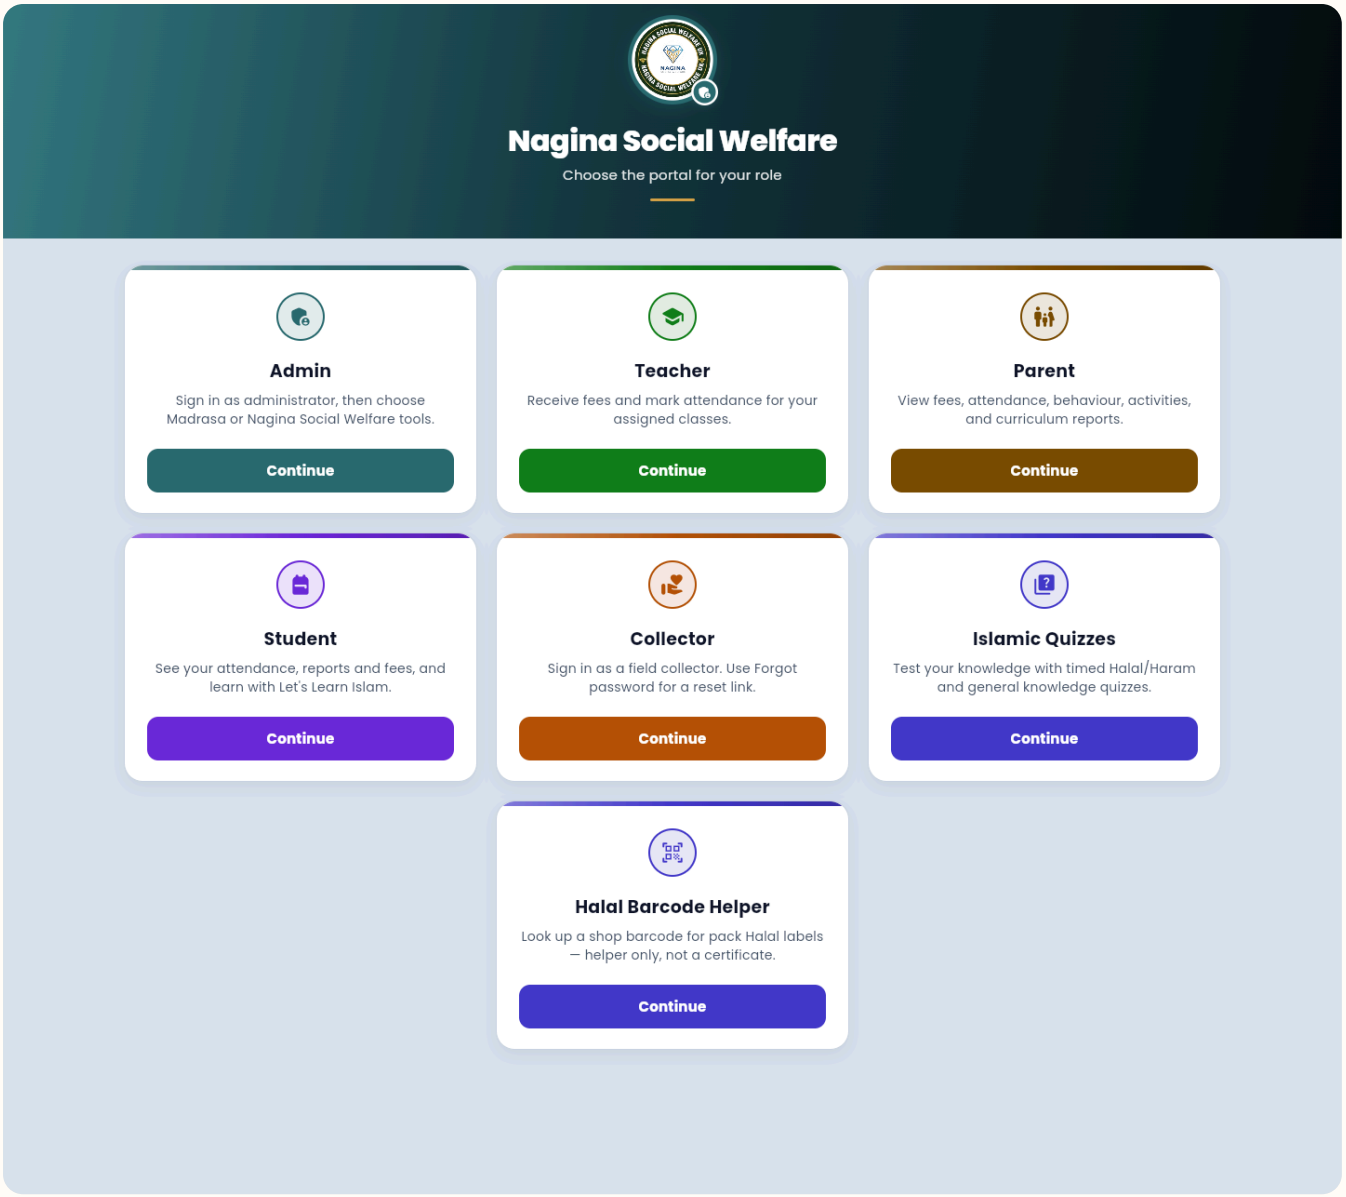

**Figure 12.** Choose Collector, then Continue.

# 5. Sign in

The **Collector login** card asks for your username and password. **Remember me** is ticked already and keeps you signed in on this browser. Untick it on a shared computer.

1. Type your username.
2. Type your password. The eye icon shows or hides it.
3. Press **Sign in**.
4. Home opens, with your name in the welcome card.

A wrong username or password shows “Invalid username or password.” If the office has switched your account off, sign-in says the account is inactive.

After you are in, the menu down the left side is Home, All Boxes, My Collections, and My Profile. **Scan** is at the top right of every page, and **Sign Out** at the bottom of the menu.

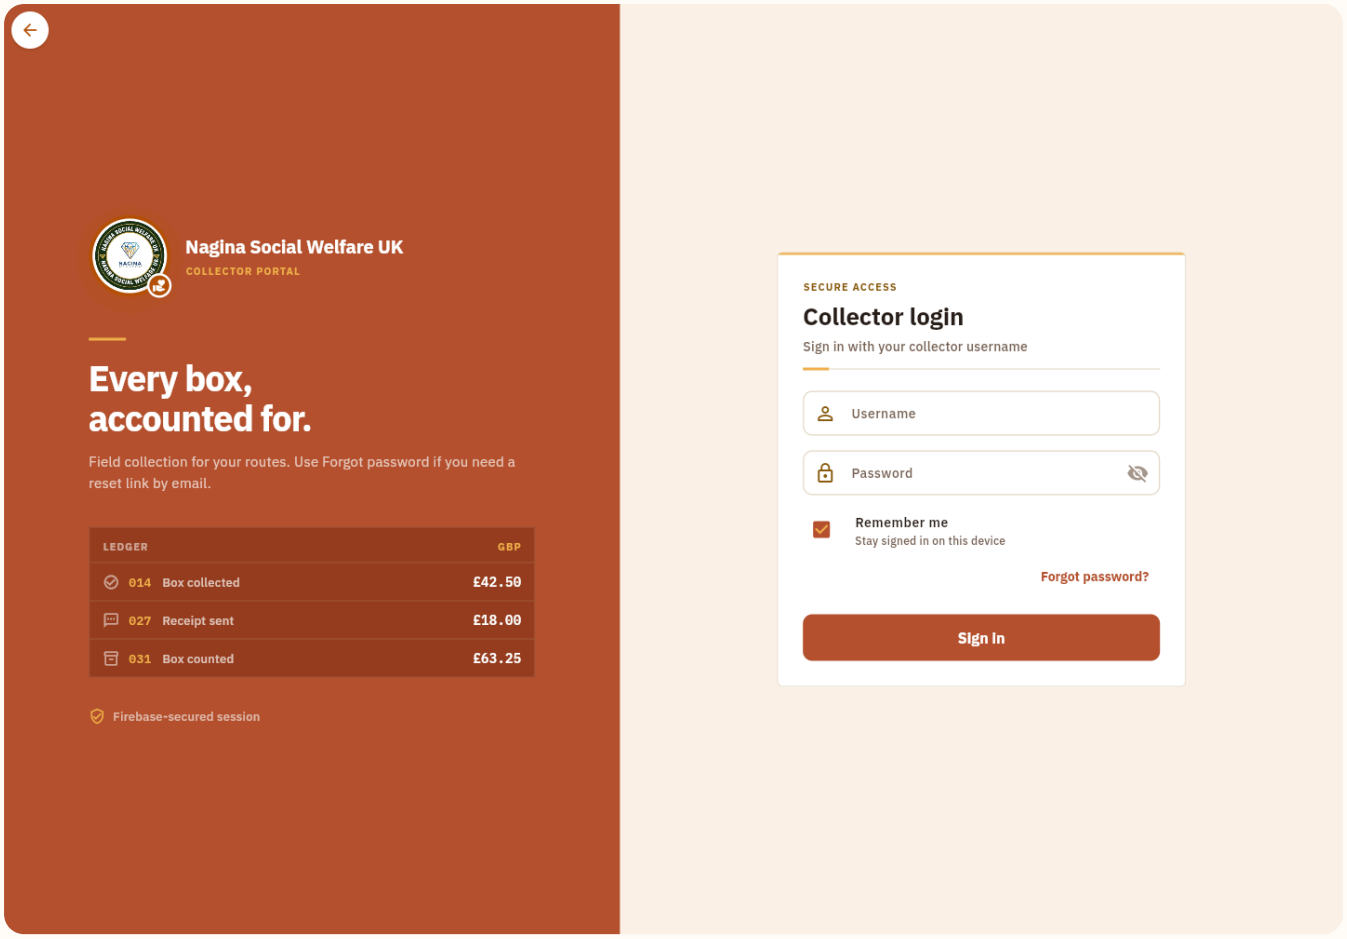

**Figure 13.** Collector sign-in.

## Forgot password

On the sign-in page, press **Forgot password?**. Enter the email or username on your record, then **Send link**. Open the email and follow the link to choose a new password. Your current password keeps working until you set the new one. Use **Cancel** if you opened the box by mistake.

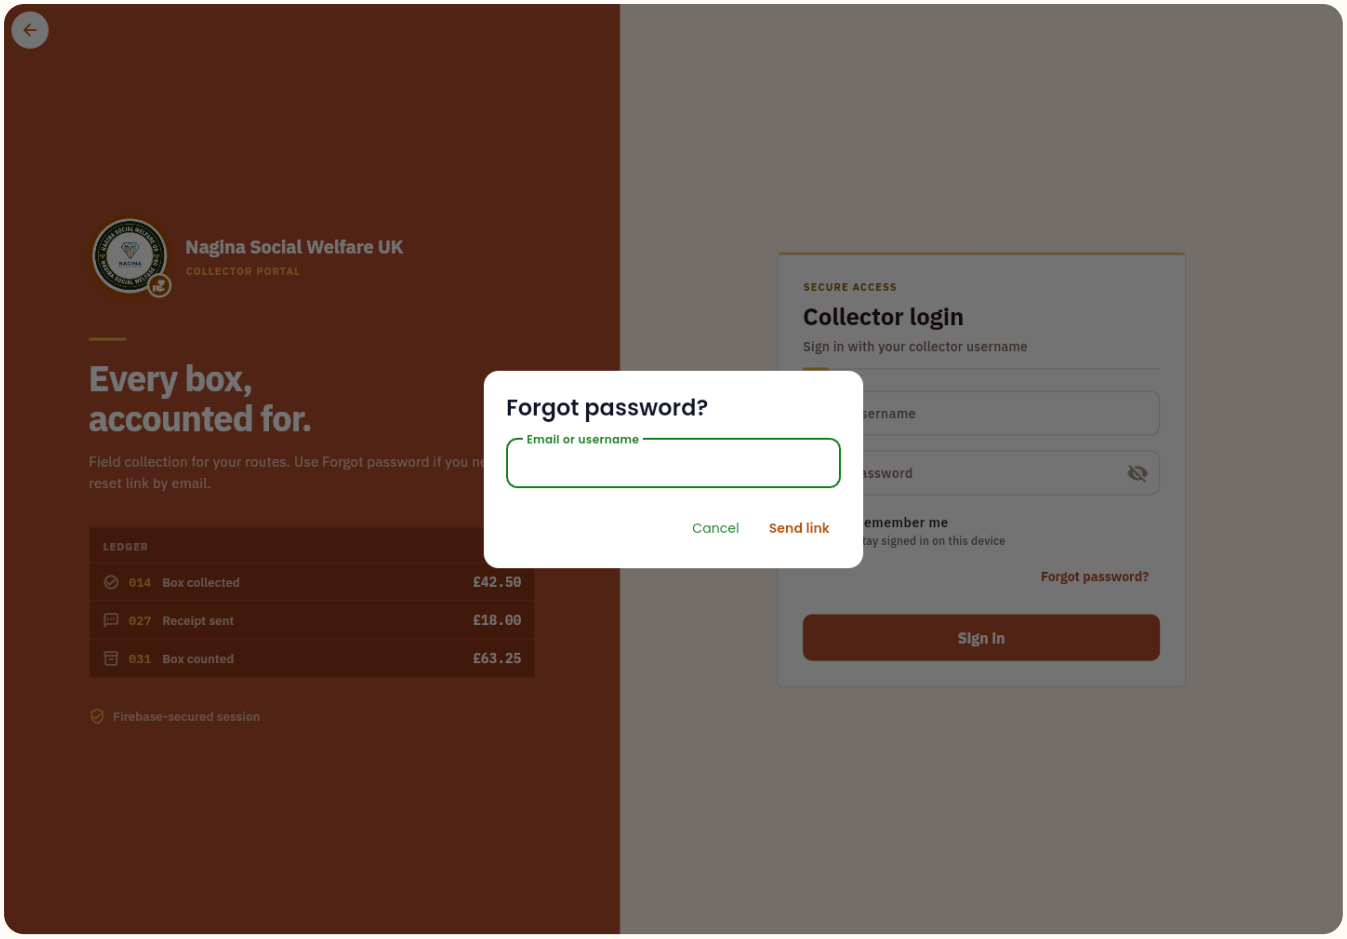

**Figure 14.** Request a reset link.

## First-time invite

When the office creates your account, an email with a setup link goes to the address on your record. Open that full link to choose a password. After that you go to Home. The same password works in the Android app.

If the link is incomplete, the page says **Invite unavailable**. Use the whole link from the email, or ask the office to send a new invitation.

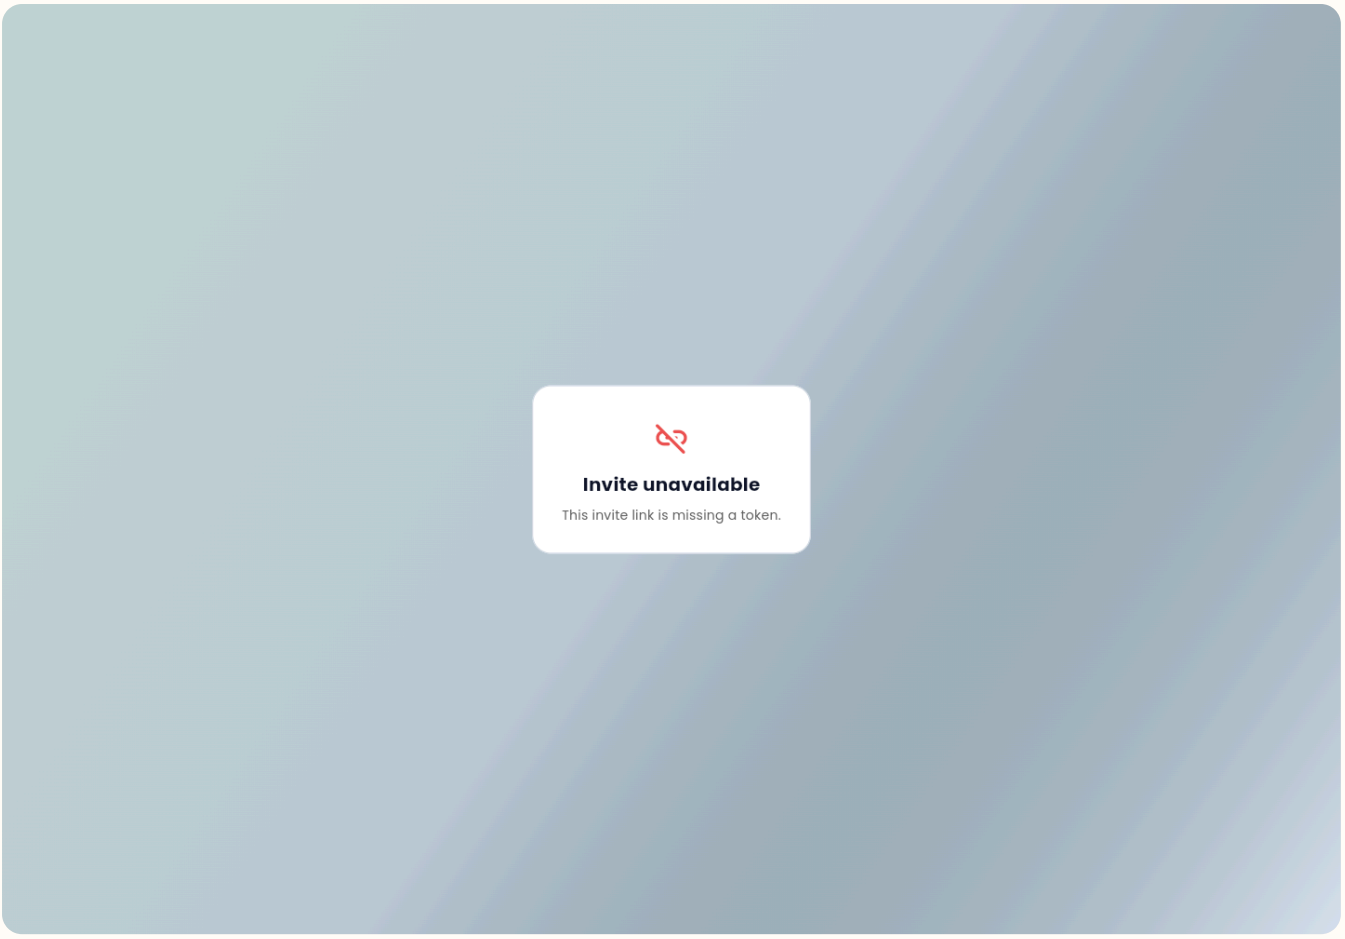

**Figure 15.** This is what an incomplete invite link looks like. A real invite email opens the password form instead.

# 6. Home

Home is your round at a glance.

- **Welcome card.** Your name and username, how much you have collected **this month** and from how many collections, and how many boxes are still **to collect**.
- **Find a box.** Type a box number and press **Open box**, or press **Scan box QR** (chapter 7).
- **Boxes to collect.** The boxes not collected yet. Tap one to open it. **See all boxes** opens All Boxes.
- **This month.** Your latest collections with venue, date and amount. **My Collections** opens the full month.
- **Browser alerts.** Asks this browser for permission to show a notification. On iPhone, add the portal to your Home Screen first.

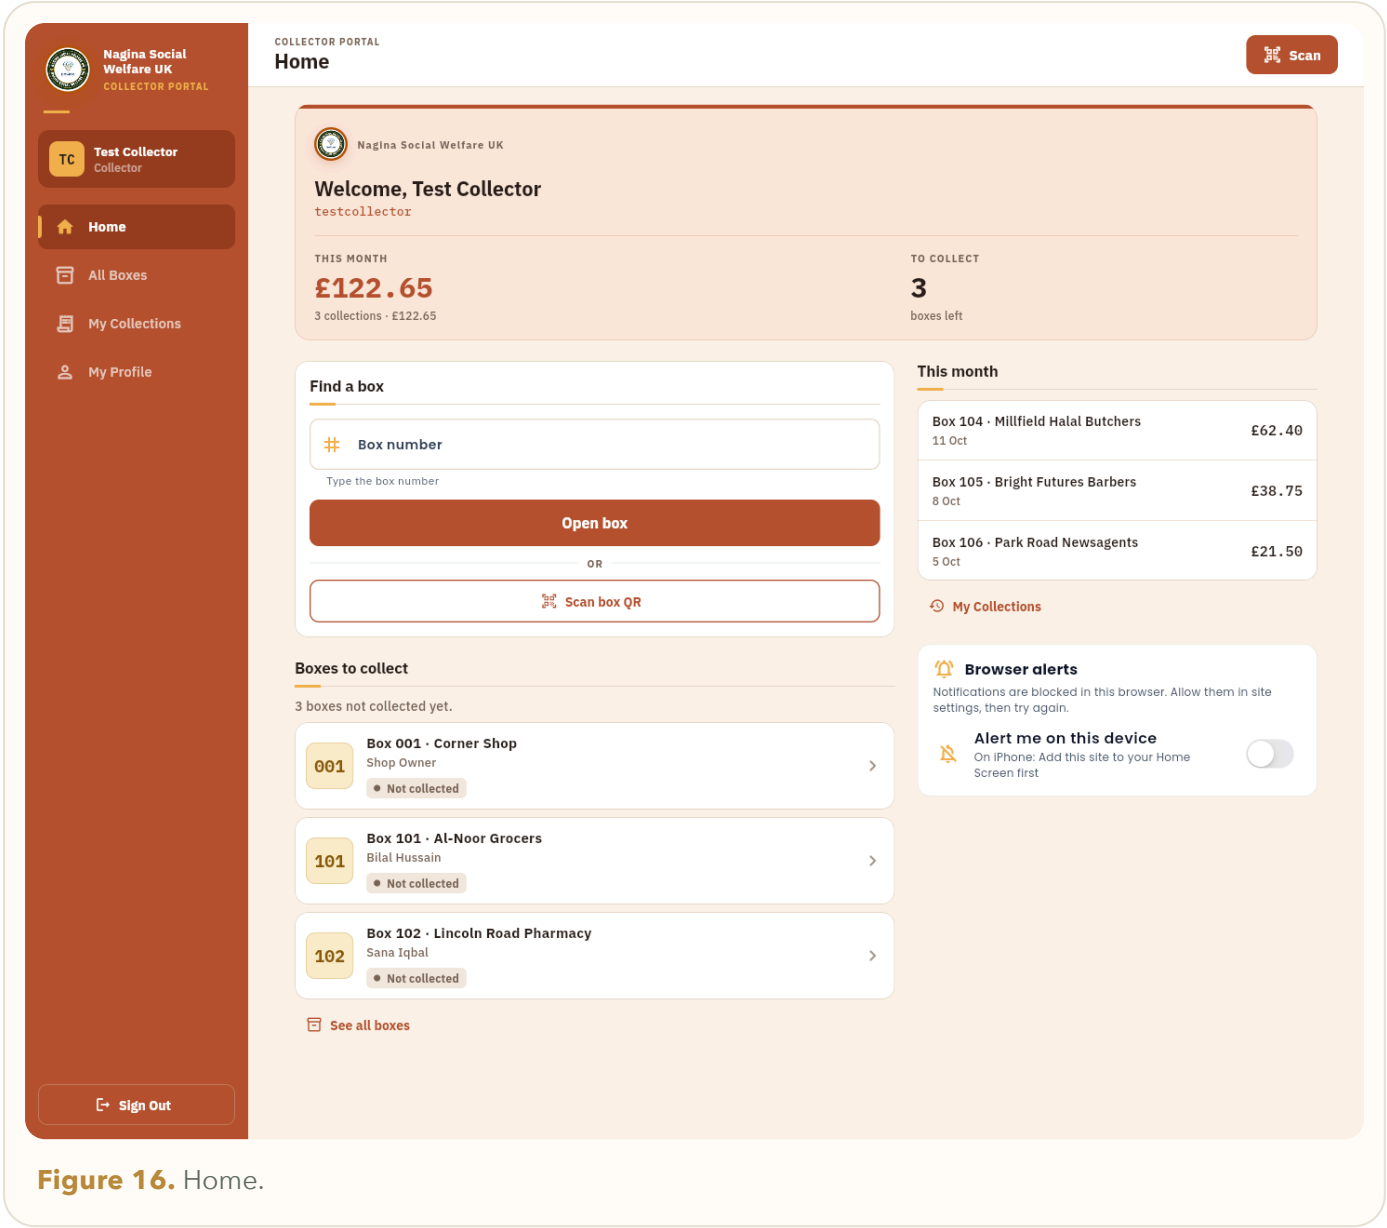

**Figure 16.** Home.

# 7. Find a box

Every box has a number on its label, such as **101**. On Home, type the number under **Find a box** and press **Open box**. A number that matches no box shows “No box matches that code or number.”

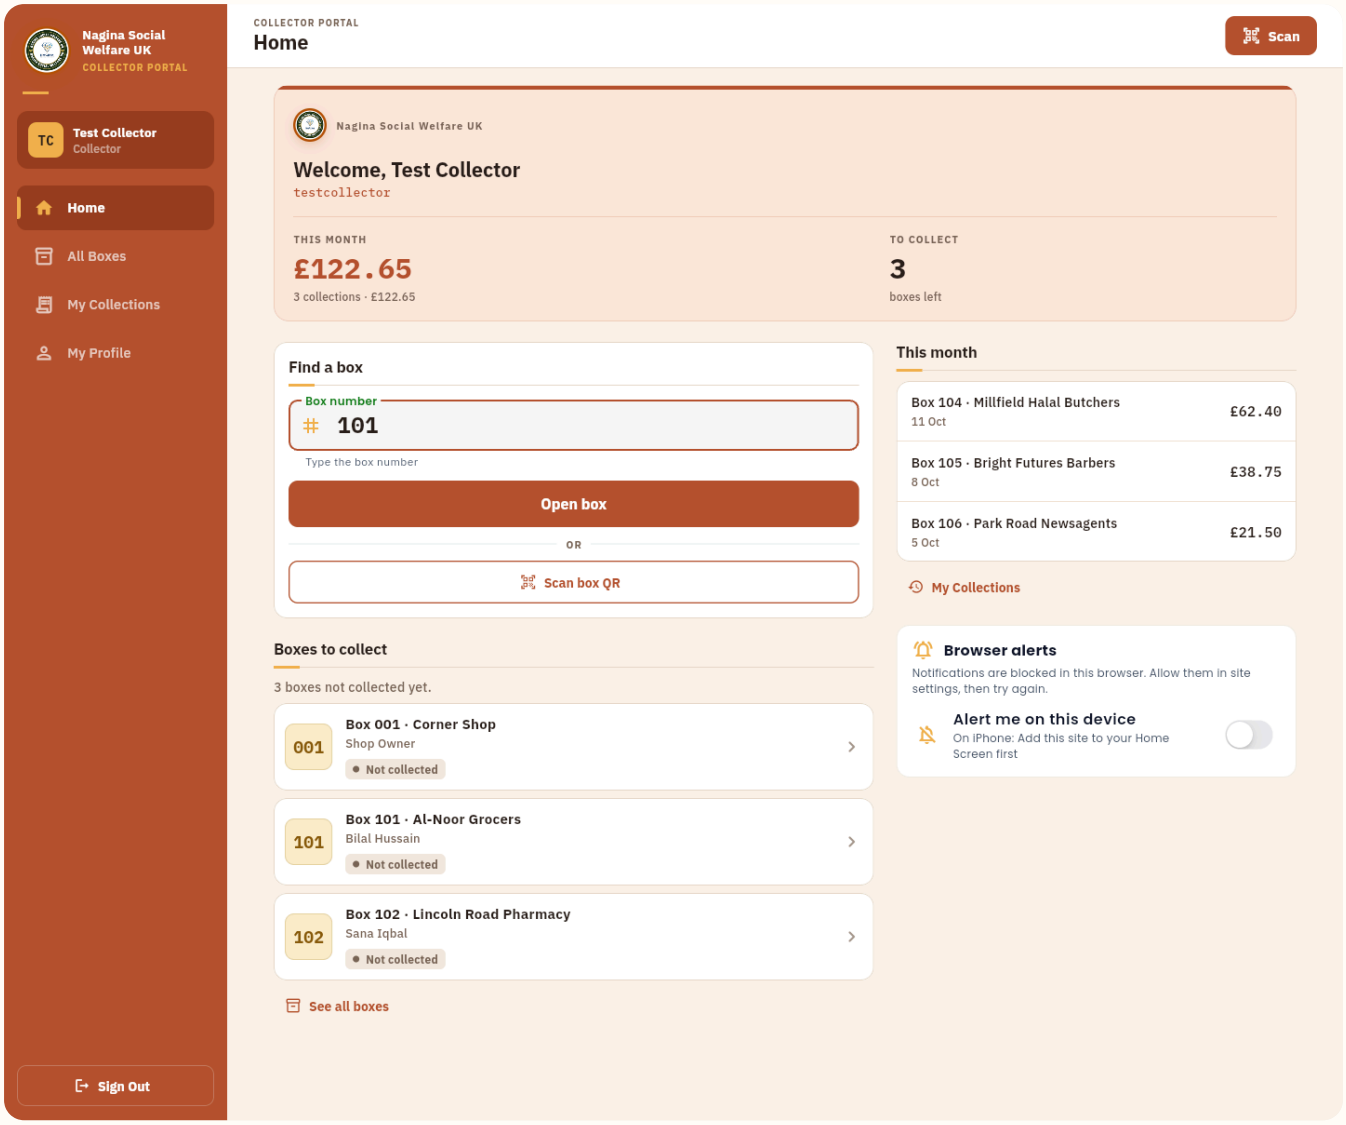

**Figure 17.** Type the box number, then Open box.

## Scan the box QR

Press **Scan** at the top right, **Scan box QR** on Home, or the gold button in the app. Hold the box’s QR code inside the frame. The box opens as soon as the code is read. The lightning button turns the torch on in a dark place. The first time, allow the camera when your phone or browser asks.

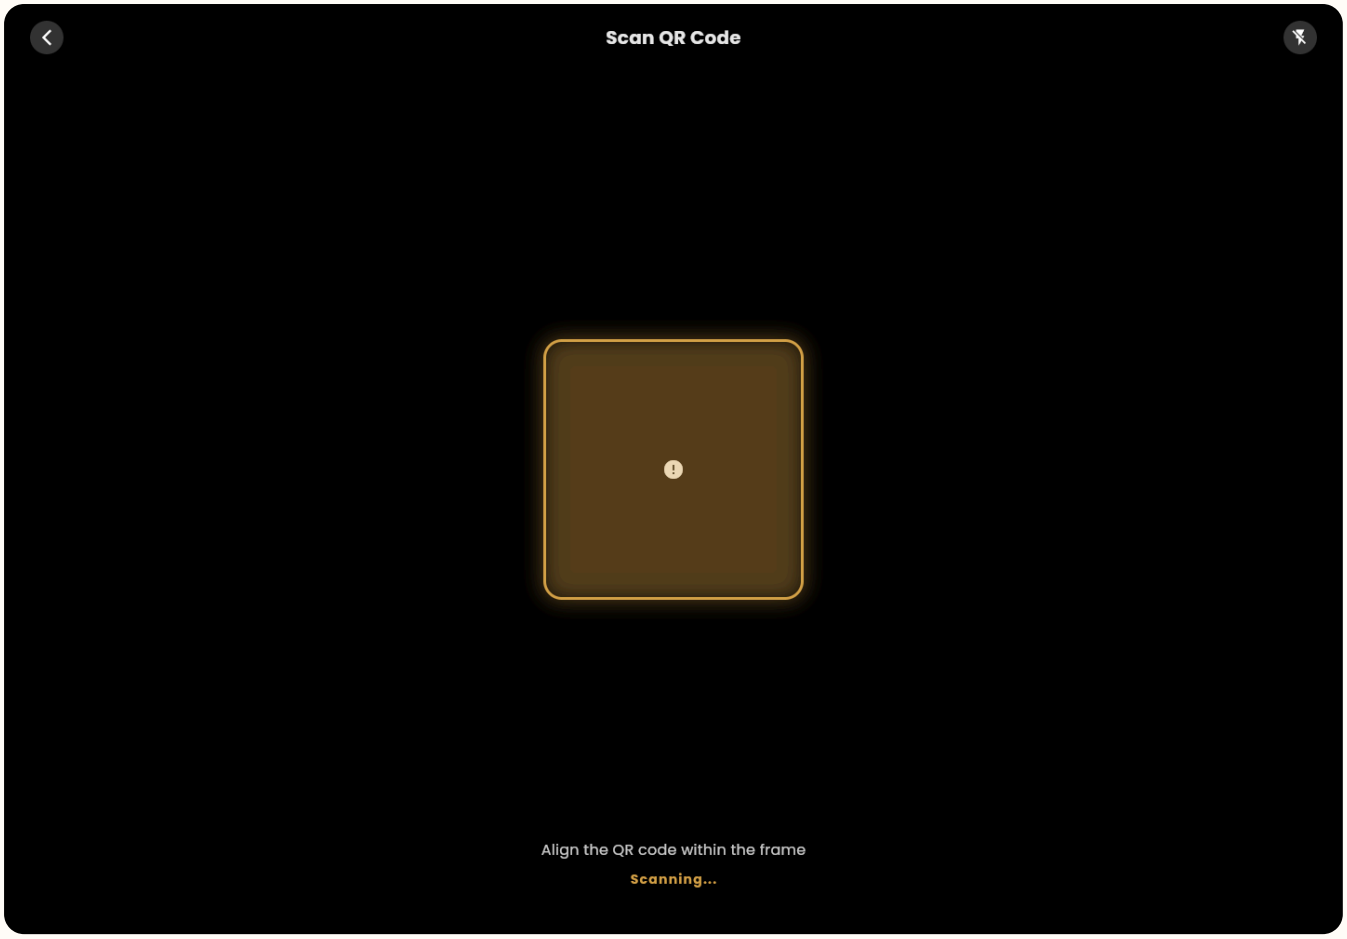

**Figure 18.** The scanner.

# 8. Collect from a box

A box page shows the box number, the venue, the contact person, and the box's state: **Not collected**, **Collected by you**, or **Receipt sent**. The **Ledger** beside it records the box, venue, collector, and, once sent, the receipt amount and date. Collecting is two steps: take the cash, then send the receipt after counting.

## Step 1: Collect Cash

1. Open the box. It shows **Not collected**.
2. When you take the cash out of the box, press **Collect Cash**.
3. Check the box and venue in the **Collect cash** message, then press **Collect**. **Cancel** goes back without saving.

The box becomes **Collected by you**, and the venue's contact gets a text saying who collected it and that the amount and receipt will follow after counting.

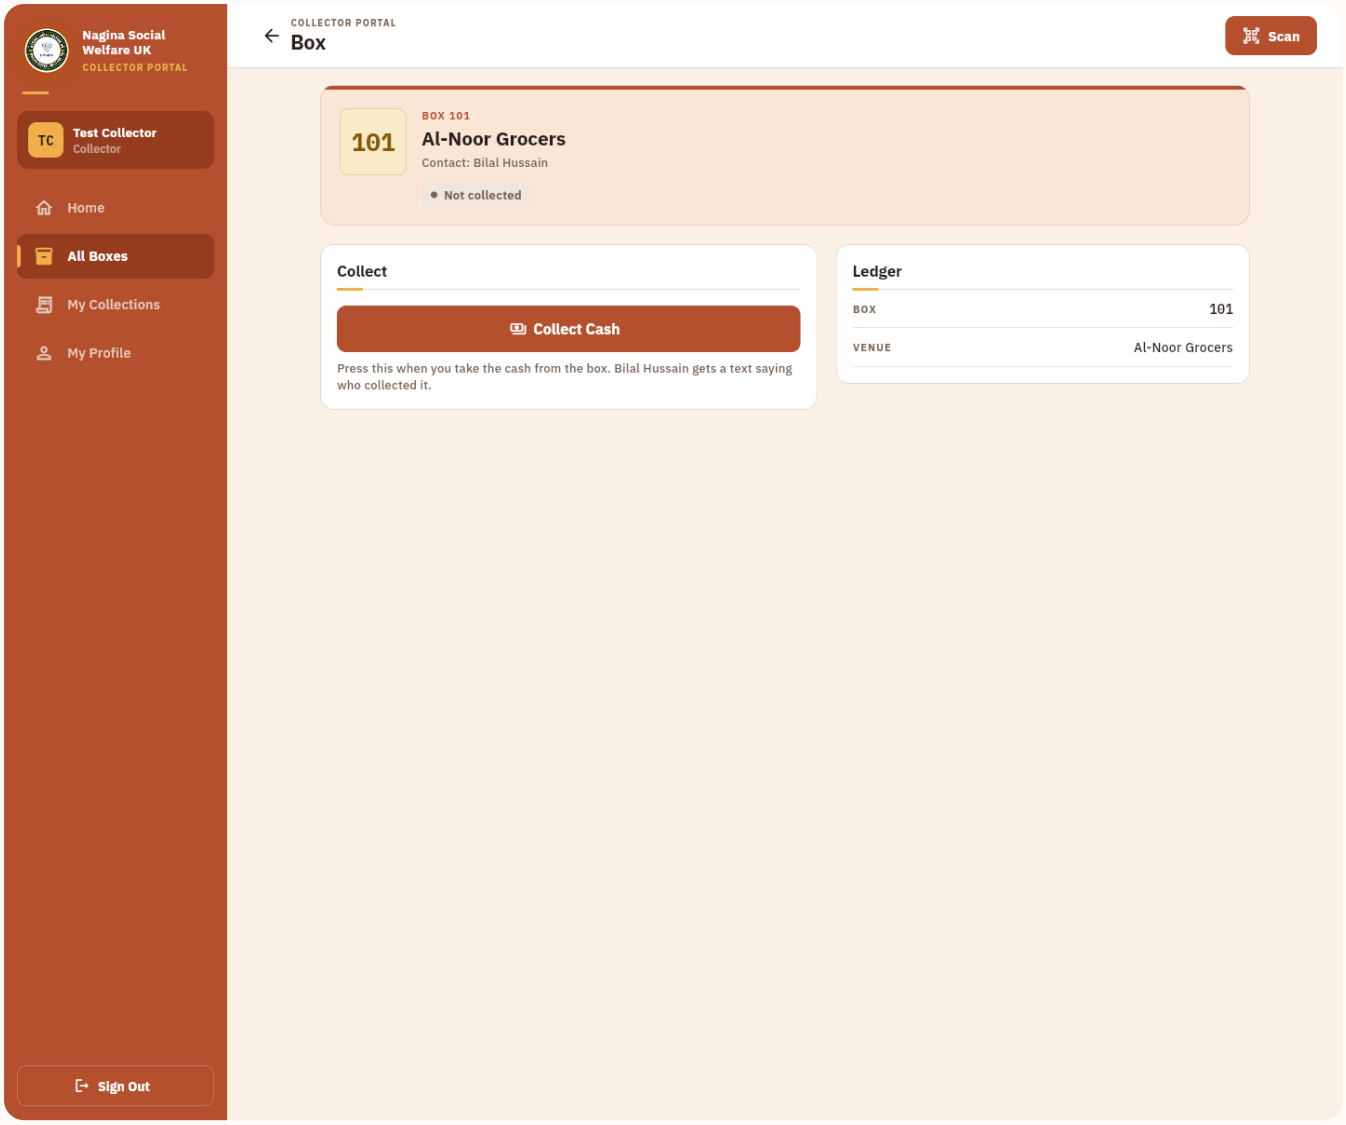

**Figure 19.** A box that is not collected yet.

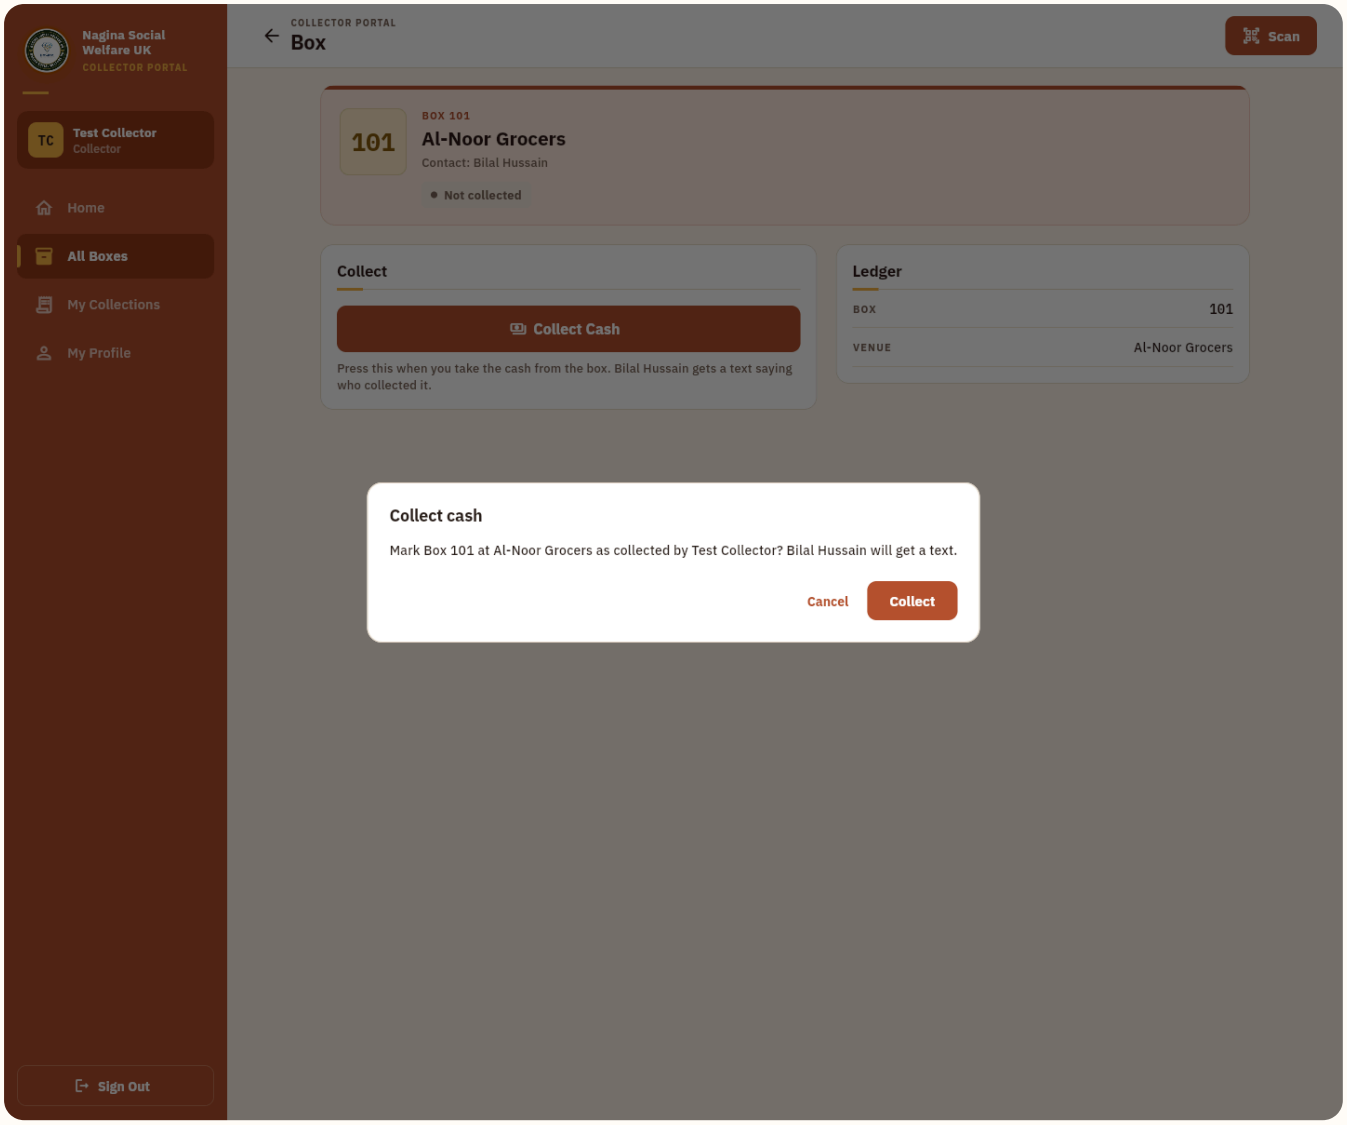

**Figure 20.** Confirm the collection. This one was cancelled.

## Step 2: Send Receipt

1. Count the cash, then open the box again. It shows **Collected by you**.
2. Type the amount under **After counting, enter the amount**, or tap £10, £20, £50 or £100.
3. Press **Send Receipt** and confirm.

The amount is saved to the charity's records and to My Collections, and the contact gets a text with the amount and a thank-you. Amounts over £10,000 must be recorded by the

office.

If a text cannot be sent, the page says “Saved, but the text failed”. The collection is still saved. Press **Try the text again**.

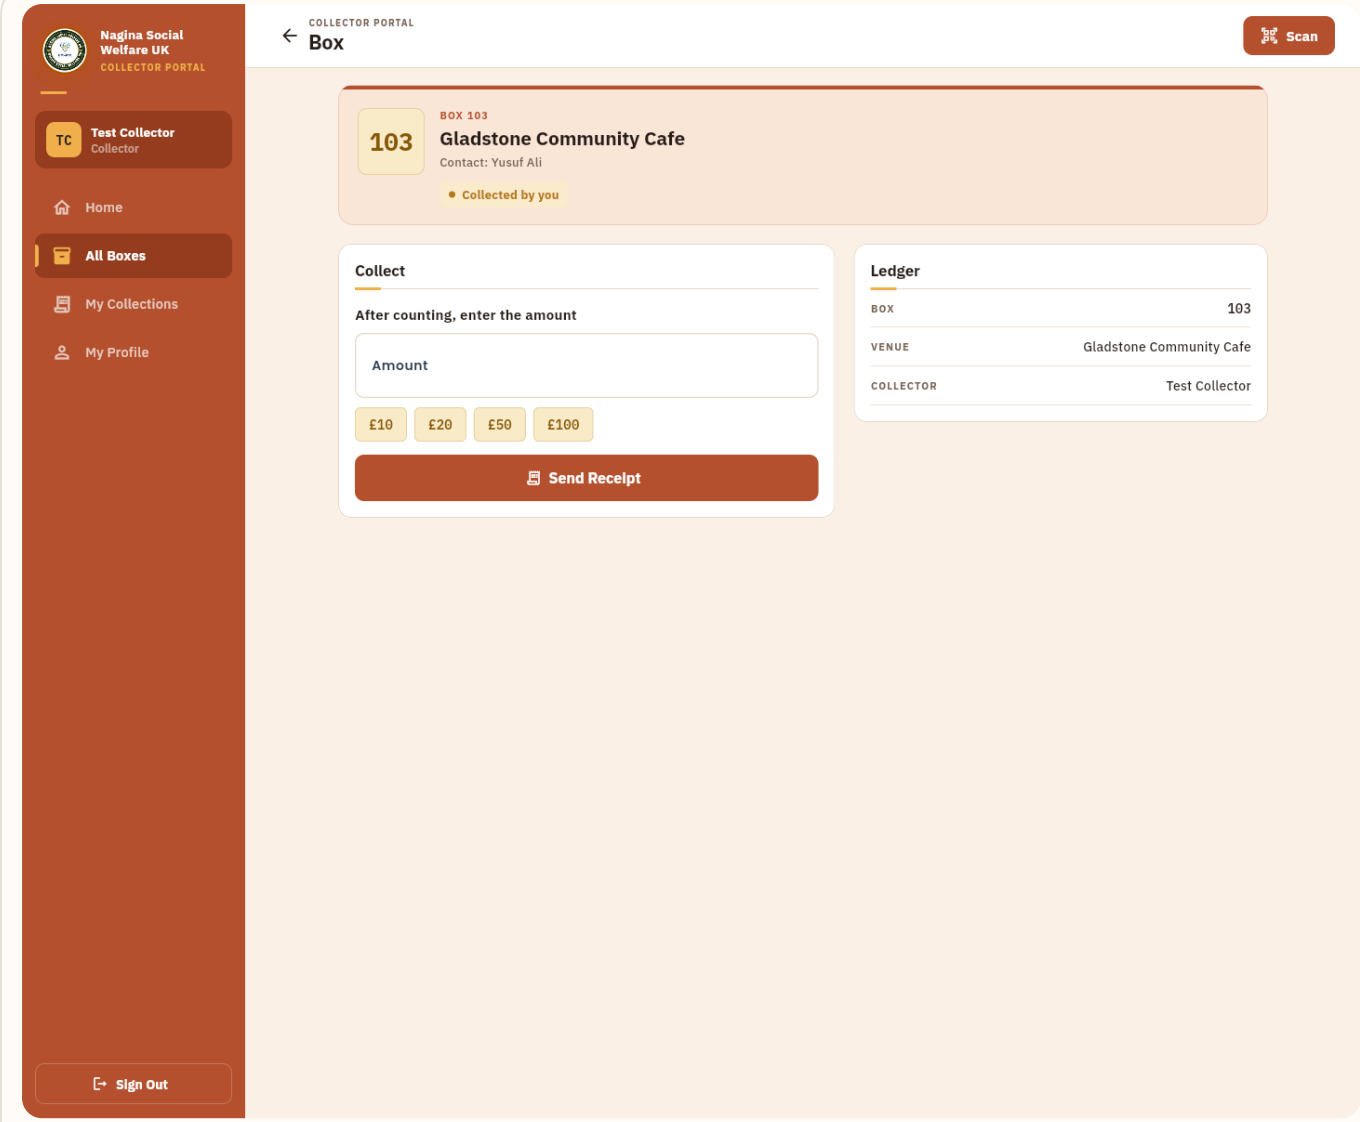

**Figure 21.** A collected box, waiting for its amount.

## Receipt sent

When the receipt is sent, the box shows **Receipt sent** with the amount and date, and says the box is done for this month. At the start of the next month it becomes **Not collected** again, ready for the next round.

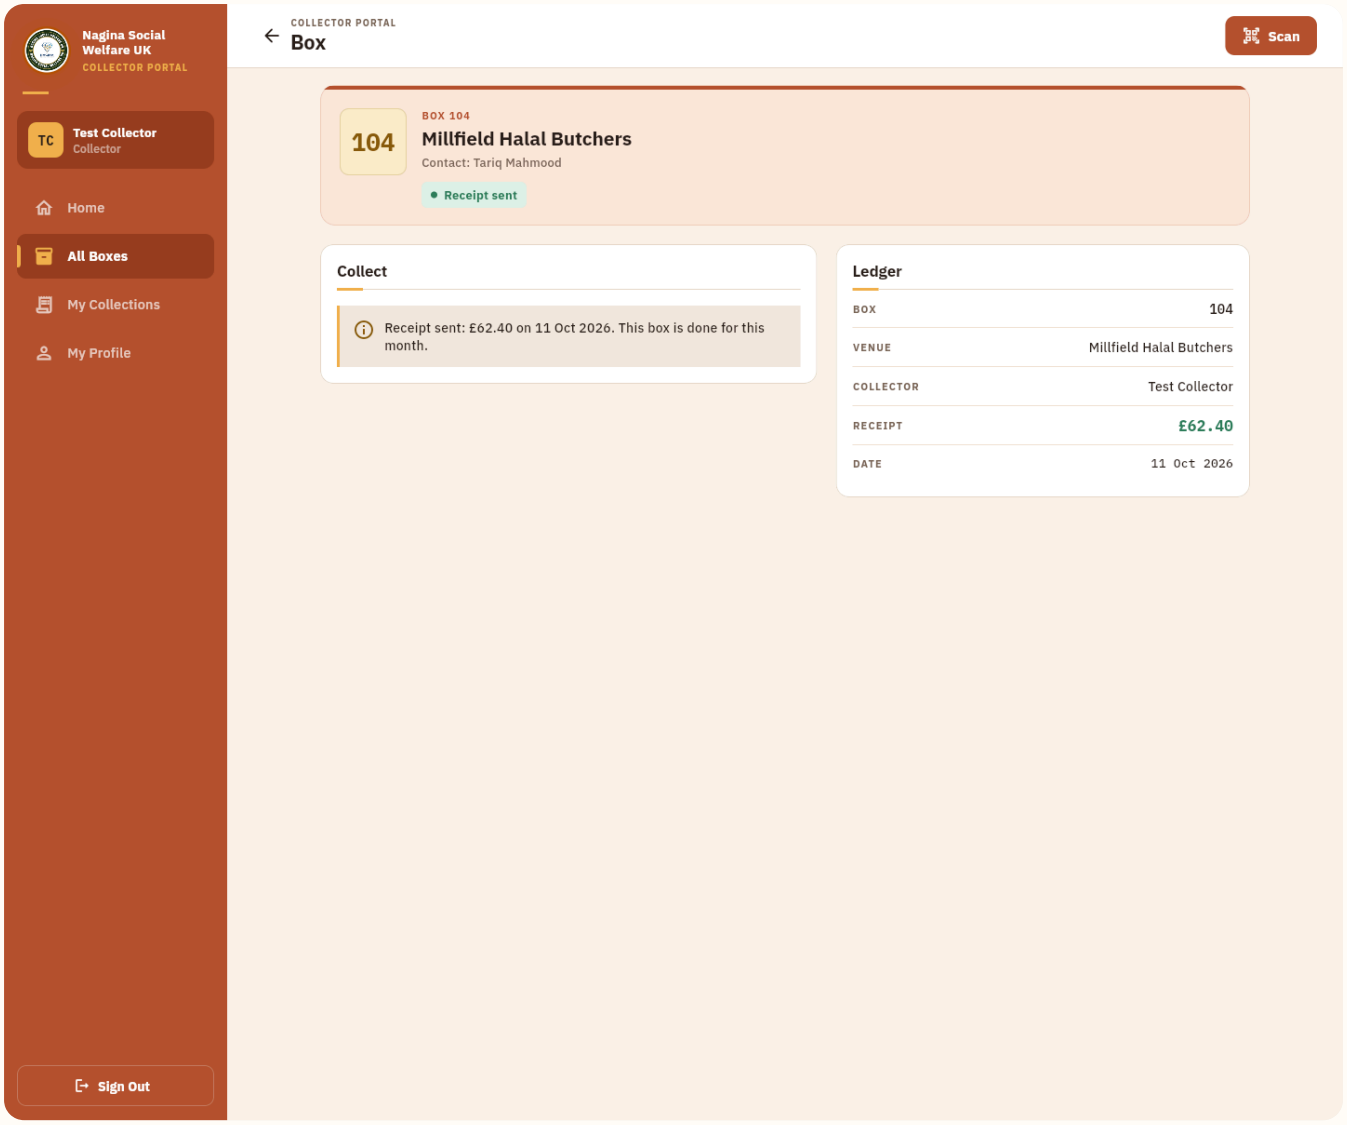

**Figure 22.** A box with its receipt sent.

# 9. All Boxes

All Boxes lists every charity box. Tabs filter them by state, with a count on each: **Not collected**, **Collected**, **Receipt sent**, and **All**. **Search boxes** finds a box by number, venue, or contact name. Tap a box to open it.

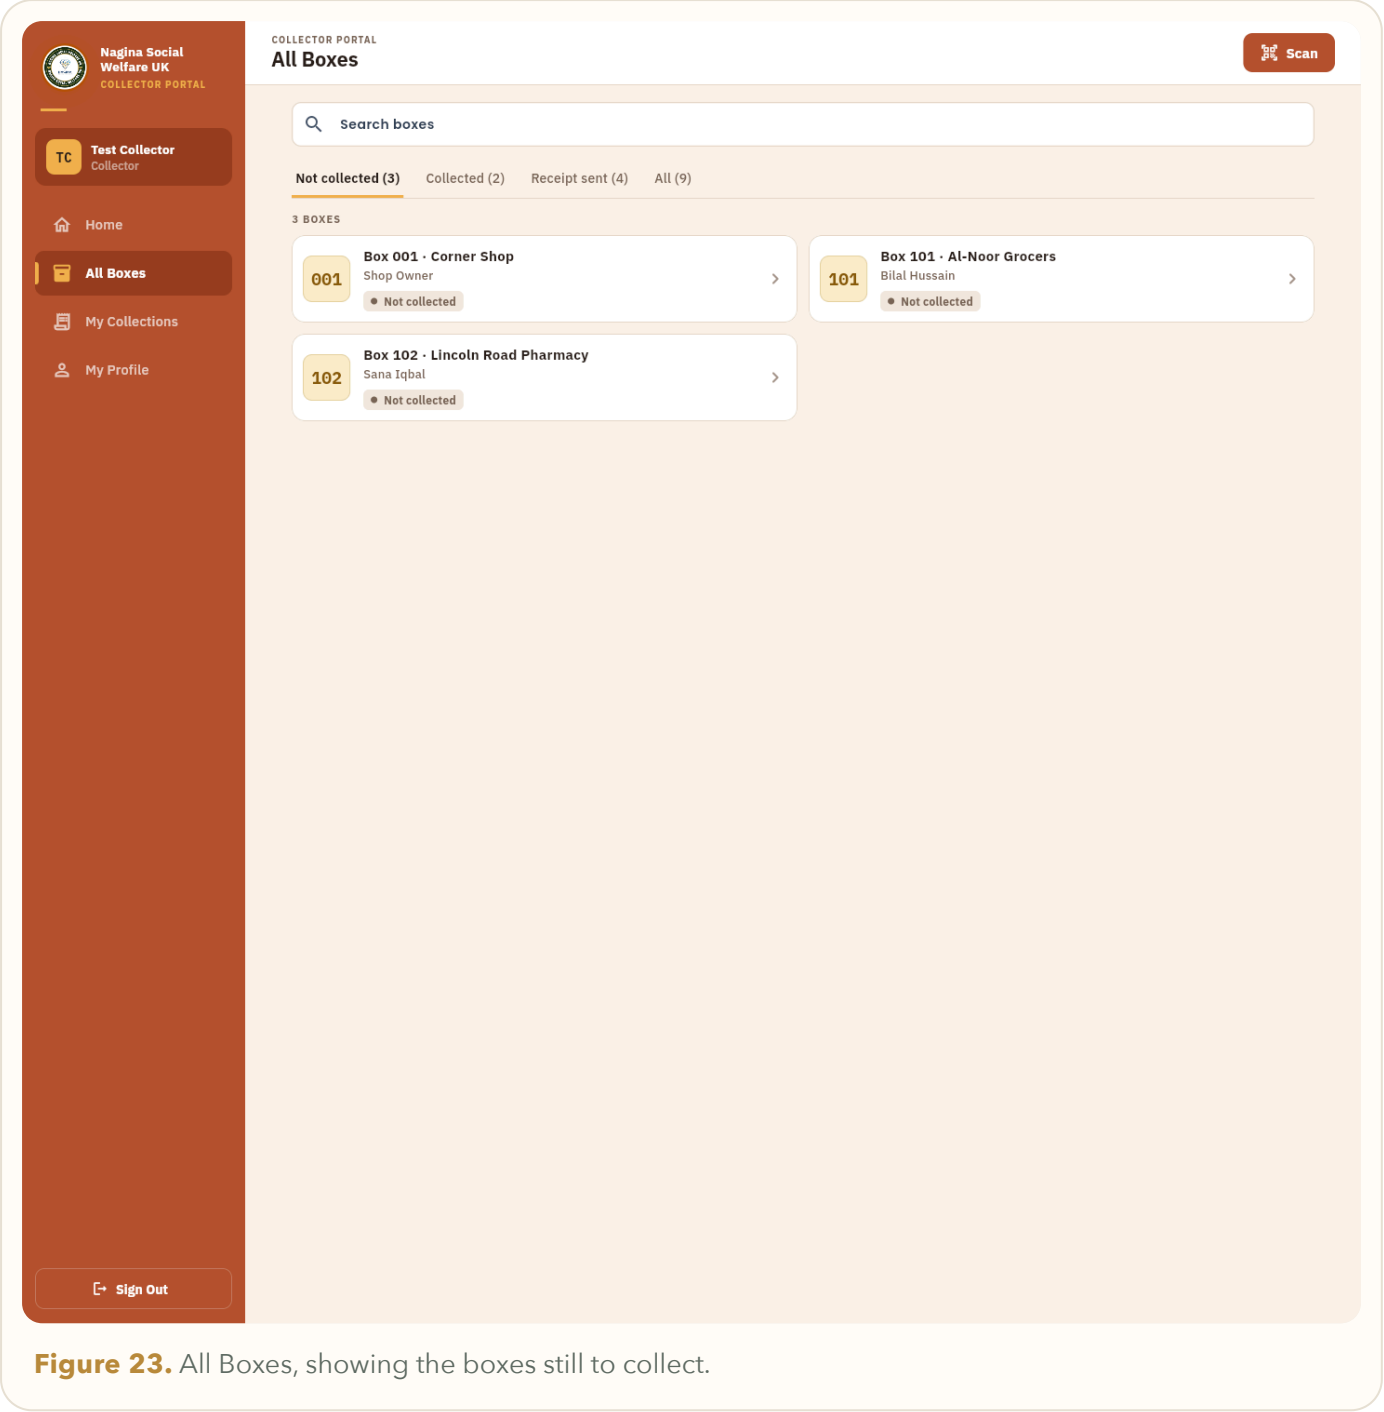

**Figure 23.** All Boxes, showing the boxes still to collect.

# 10. My Collections

My Collections is your own record for a month: the total **collected**, the number of **entries**, and each receipt grouped by day, with the box, venue, time and amount. The arrows beside the month move to the previous or next month.

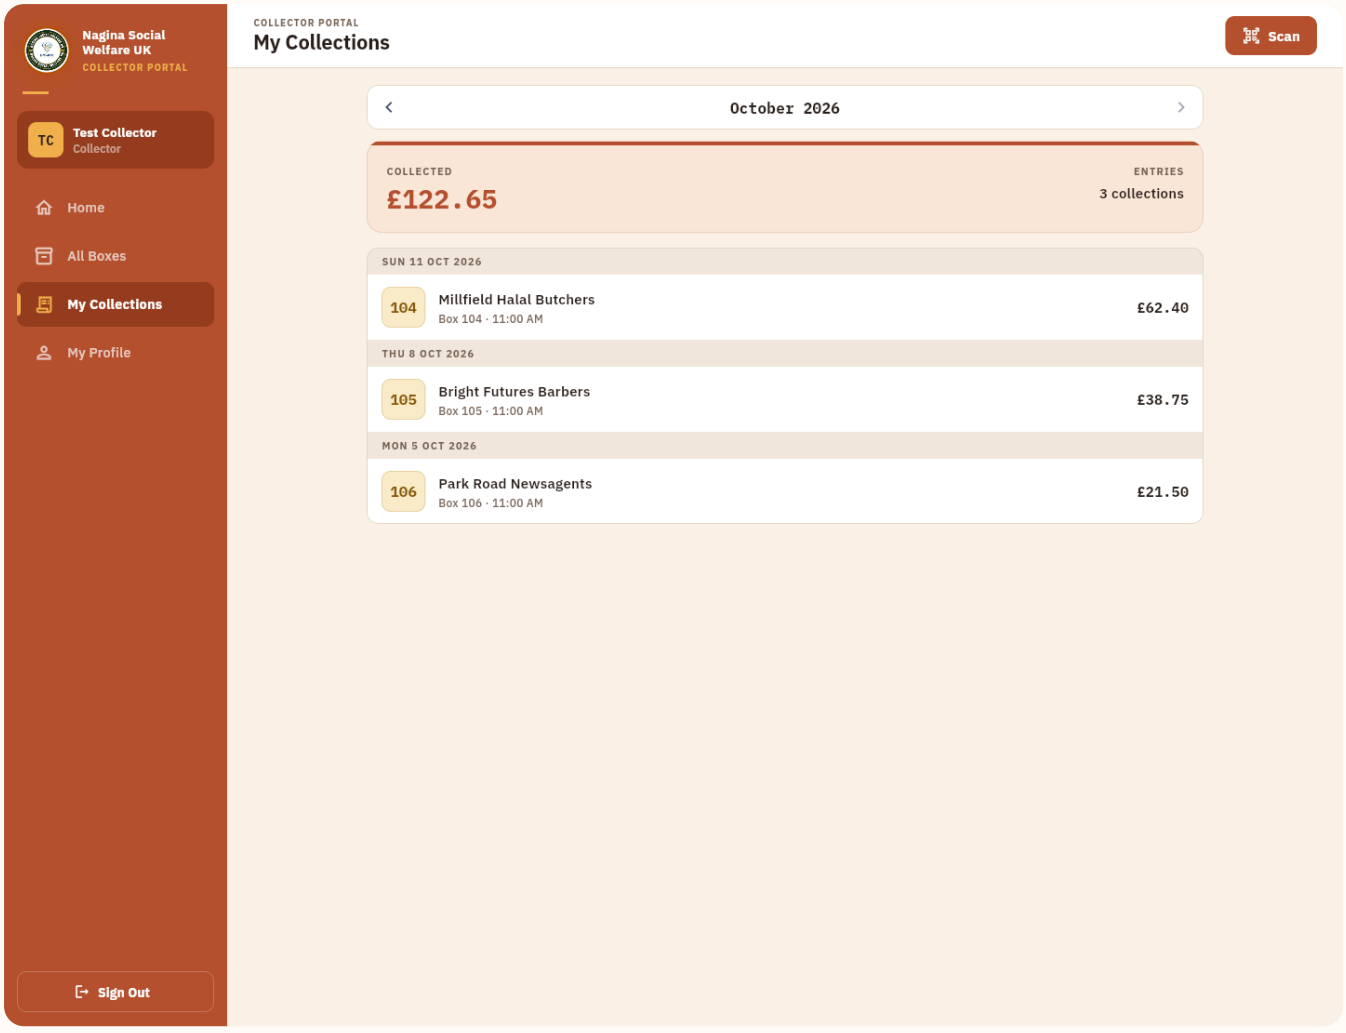

**Figure 24.** My Collections.

# 11. My Profile

My Profile shows your name, username, email, phone, address, and your **branch** with its address and contact details. To change any of these, ask the charity office.

- **Password.** Type your current password and the new one twice (at least 6 characters), then press **Change password**.
- **Browser alerts. Alert me on this device** asks this browser for permission to show a notification.

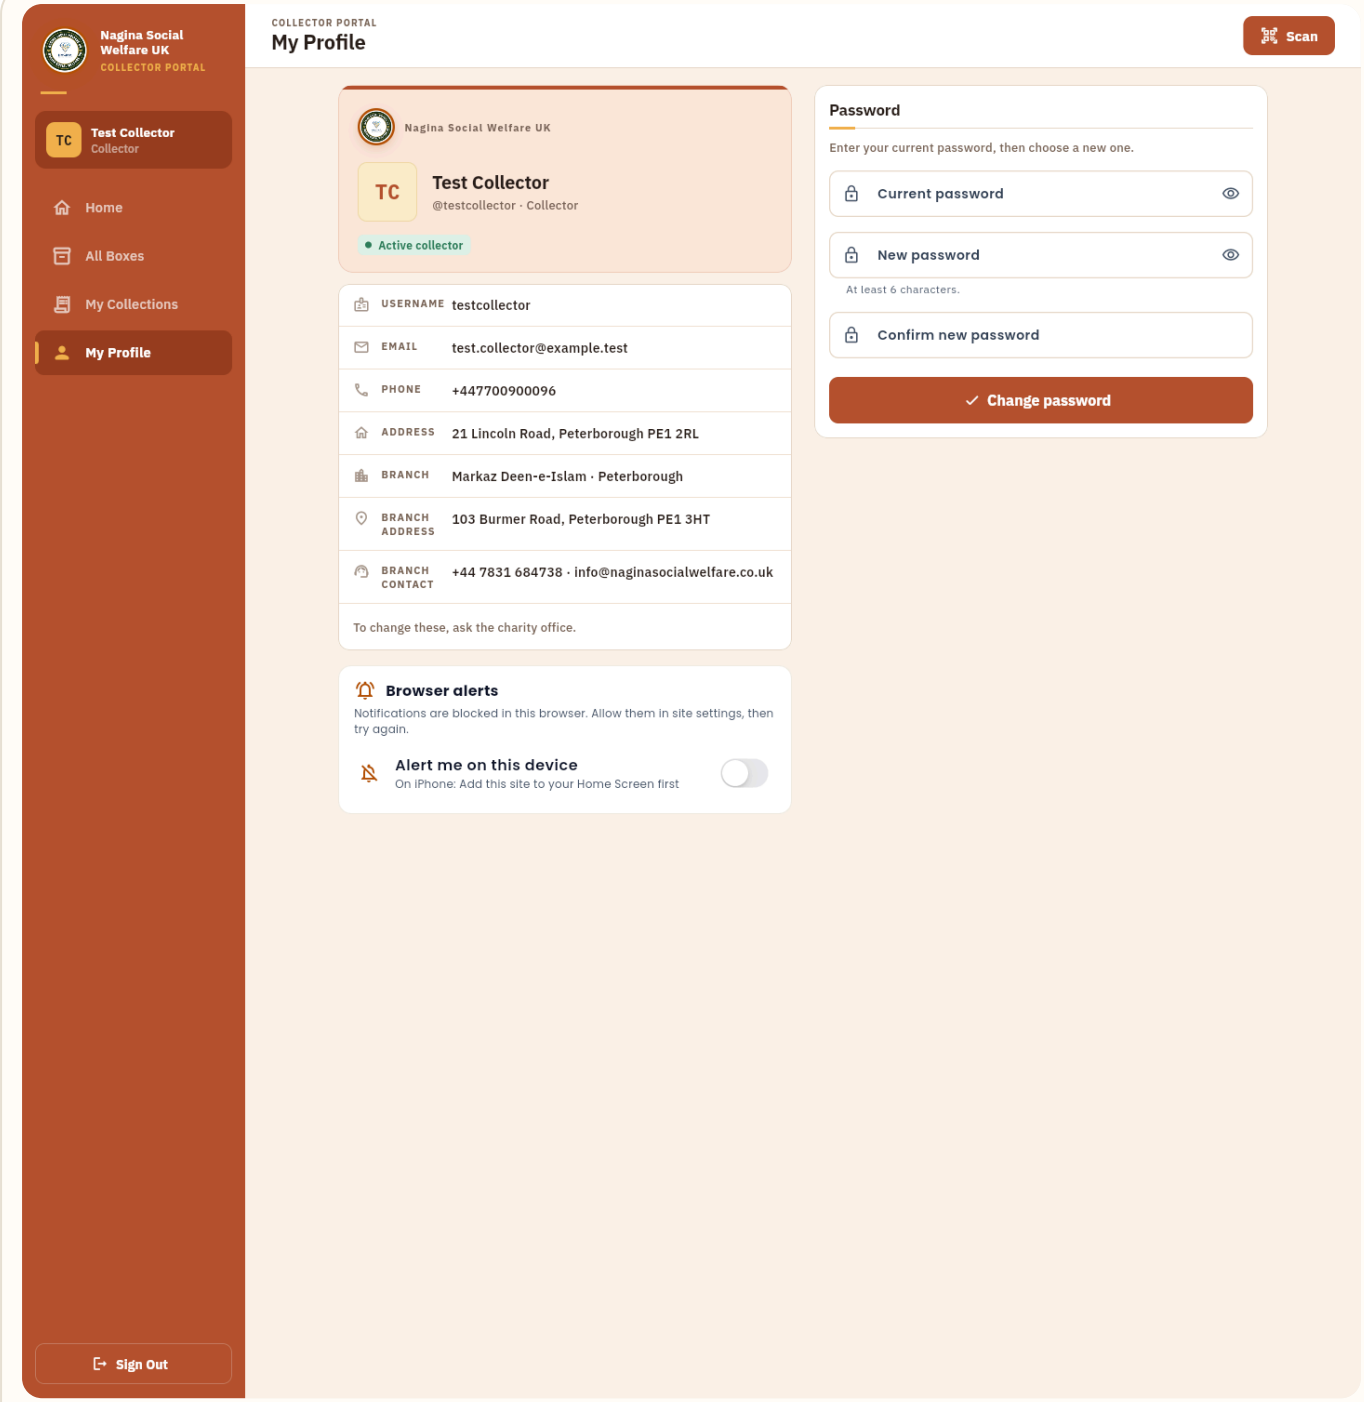

**Figure 25.** My Profile, for a Peterborough collector.

## Quran Academy, Manchester

A collector of the Manchester branch sees **Quran Academy · Manchester** as the branch, with Partington Community Centre, Manchester M31 4FL, +44 7872 340123 and `qam@naginasocialwelfare.co.uk`. Everything else in the portal works the same way.

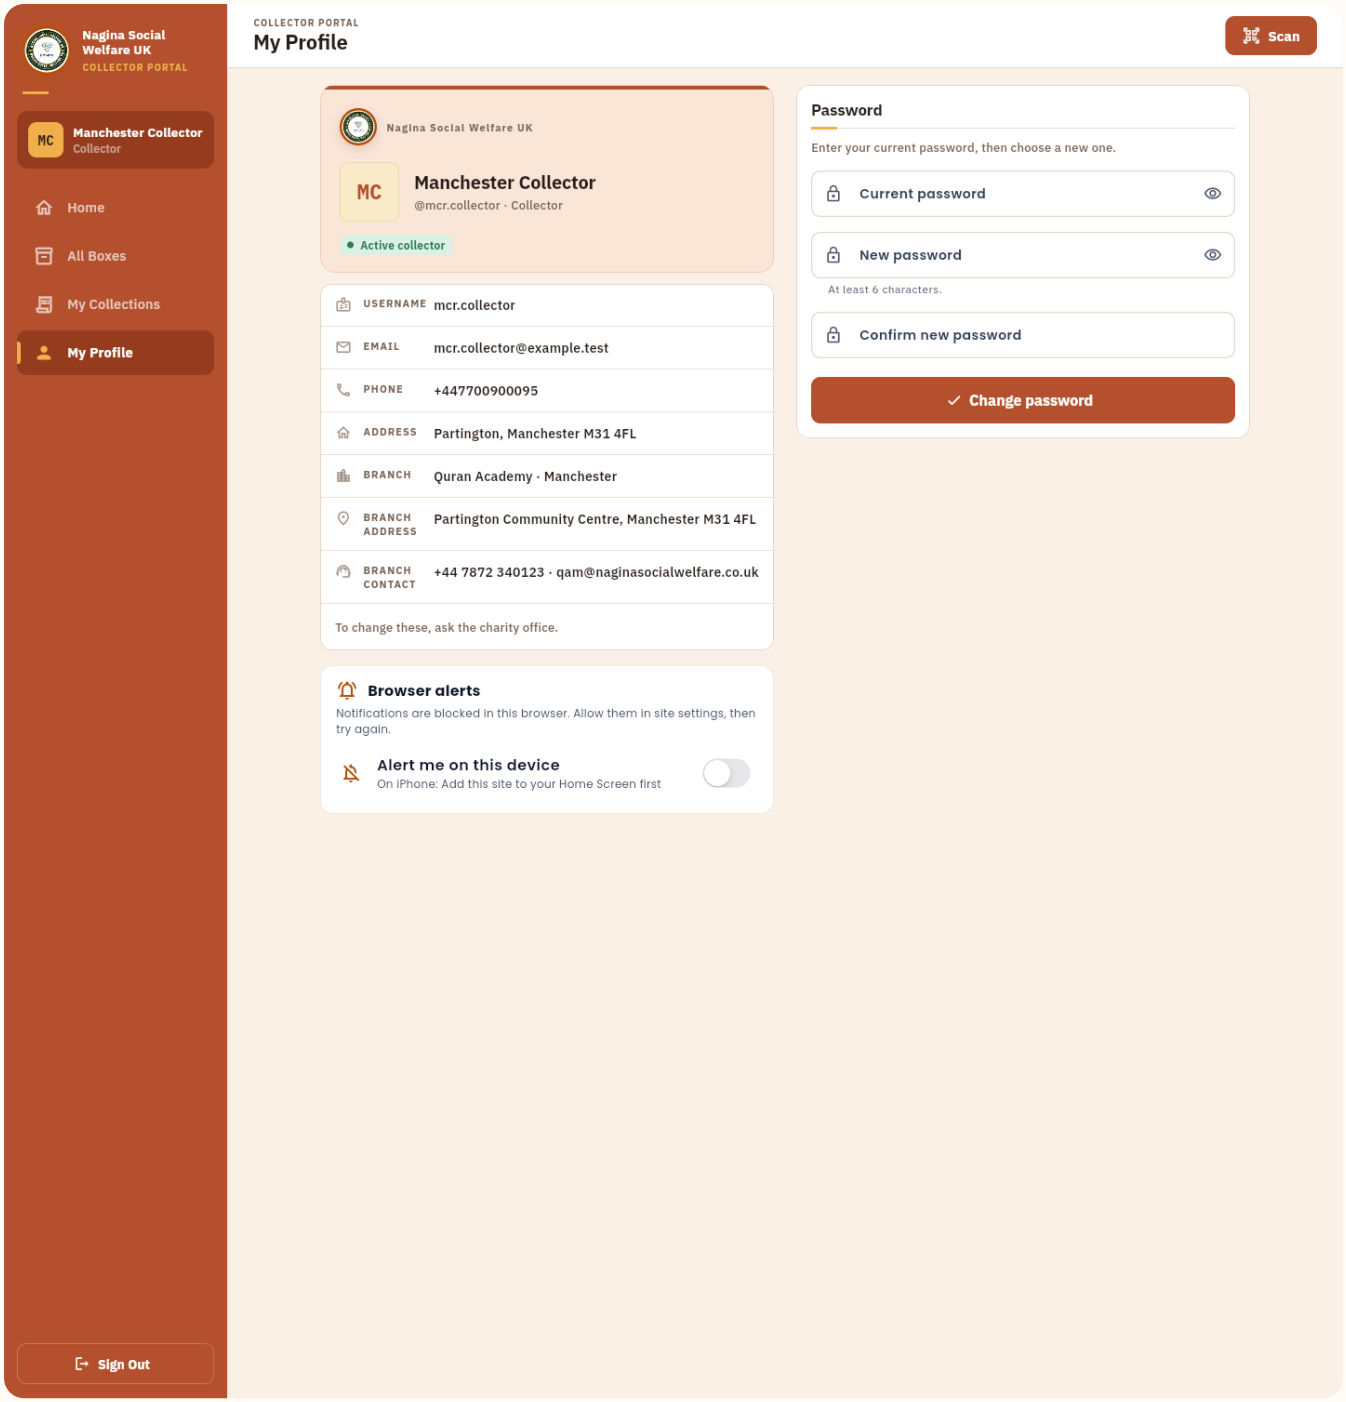

**Figure 26.** My Profile, for a Manchester collector.

# 12. Web portal on a phone

On a narrow screen the left menu becomes a bar along the bottom, the same as the app: Home, Boxes, the gold scan button, History, and Profile. Cards stack so you do not have to slide sideways. Sign Out is at the top right.

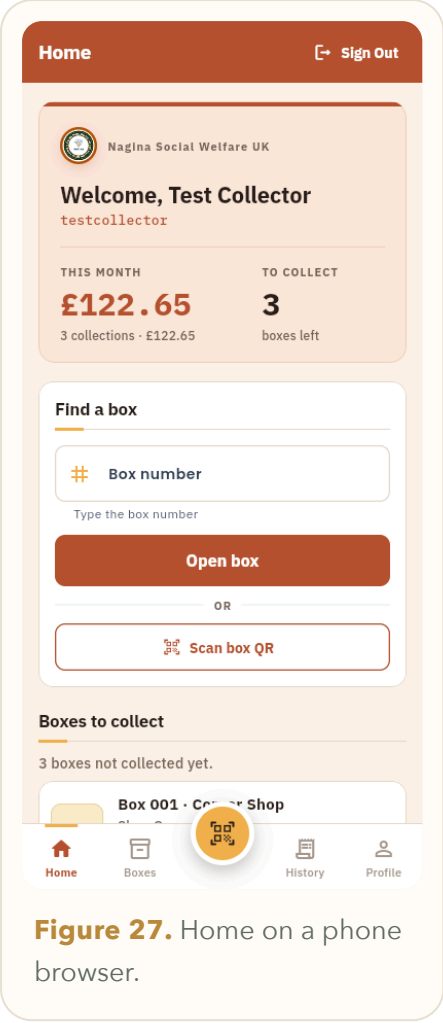

**Figure 27.** Home on a phone browser.

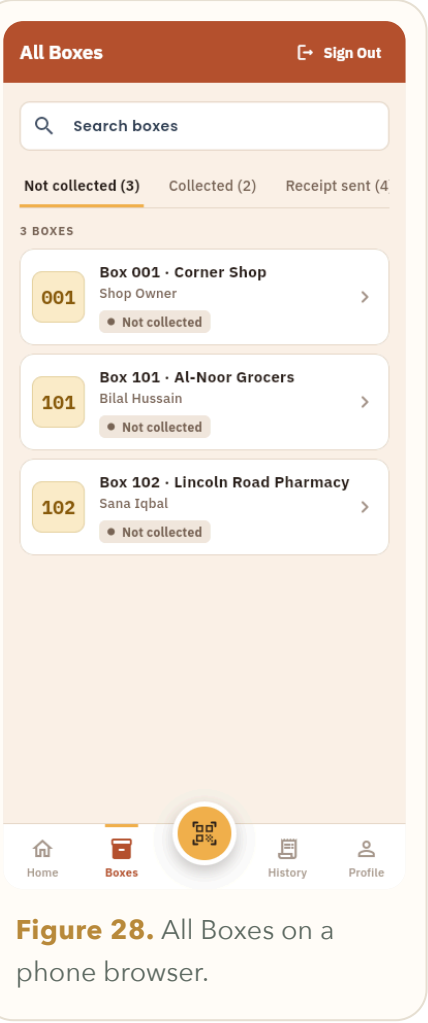

**Figure 28.** All Boxes on a phone browser.

# 13. What you can do

| You can | The office does this |
|---|---|
| **Install the NSW Collector Portal app on Android, or sign in on the web and pin the portal to your home screen** | Create your account and send the invite |
| **Find any box by number, QR code, venue or contact** | Place the boxes and print their labels |
| **Mark a box as collected, which texts the venue's contact** | Keep the venue contact details up to date |
| **Send the receipt with the counted amount, up to £10,000** | Record larger amounts |
| **See your own collections month by month** | See every collector's collections and the charity's reports |
| **Change your password and turn on browser alerts** | Change your name, contact details or branch |

**If a page looks old.** After the collector web portal is updated, refresh the browser. On a phone, close the tab and open `https://admin.naginasocialwelfare.co.uk/login/collector` again. In the app, update NSW Collector Portal from Google Play.
